me-check<sup>®</sup>

# me-check®

Actionable, versatile, modular  
ocular surface screening

**me-check®** is simplest, fastest device on the market. It's a certified CLASS IIA medical device. Its unique benefit is its software: we built it to screen for most ocular surface conditions.

Discover me-check® on our website:  
[espansionegroup.it/me-check](http://espansionegroup.it/me-check)

> Developed in partnership with **Dr. H. Pult** (Germany), **Prof. J. Wolffsohn** (United Kingdom) and **Prof. N. Efron** (Australia)
